

2022 Vacation Bible School

July 11 – 15

8:45 to 11:45 a.m.

God's Wonder Lab

A science lab is full of fascinating things that help us explain how things are possible. In Jesus' ministry, He did things that cannot be explained. He turned water into wine, walked on water, and His greatest miracle of all was dying on the cross and rising from the dead for our salvation.

Discover that Jesus does the impossible for us at VBS!

If anyone is interested in volunteering (background check required) or making a donation to help offset the cost of this program, please contact the Office at 485-6687.
